3. Establish the Presence of a Quorum

A quorum was established with a total of 20 units represented (11 in person and 9 by proxy); therefore the meeting of the owners of Carleton Condominium Corporation No. 276 was duly constituted to conduct the business of the Annual General Meeting.

4. Introduction of the Head Table

Mr. Arthur Etkin introduced the Head Table consisting of himself, Director Mitch Savoie, Property Manager Stefan Novak, the Auditor Nicholas Ralph and Heather Clark, Recording Secretary.

5. Auditor's Financial Report

The President turned the meeting over to the Corporation's Auditor, Mr. Nicholas Ralph, who reviewed the financial statements for the year ending December 31, 2011. Mr. Ralph presented the Independent Auditor's Report, Balance Sheet, Statement of Operating Fund and

Fund Balance, Statement of Reserve Fund and Fund Balance, Statement of Cash Flows and the Notes to the Financial Statements.

Mr. Ralph noted that in the Operating Fund the actual funds spent are relatively close to what was budgeted throughout the year. As well, he noted that the budget was based on a reserve fund study that was about 3-4 years old. Mr. Ralph's general impression is that there was a lack of comfort on how the reserve fund study was completed. It has now been redone, as it is required every three years. It was therefore very good news as the \$60,000 deficit was not achieved; there was only a \$10,000 deficit.

Overall the corporation is in decent shape and this year's audit went even easier than last year.

6. Approval to receive the Auditor's Financial Report

Mr. Guy Gagnon, #432 Sandhamn Private motioned and Ms. Stephanie Bazinet, #419 Sandhamn Private seconded to receive the Auditors Financial Report. There were no homeowners opposed to the motion, no abstentions; the motion was therefore carried unanimously. **CARRIED**

7. Appointment of Auditor

Mr. Jean Pierre Bazinet, #419 Sandhamn Private motioned and Ms. Betty Flack, #453 Sandhamn Private seconded to appoint Mr. Nicholas Ralph, Chartered Accountant as Auditor for the fiscal year January 1, 2012 to December 31, 2012. There were no homeowners opposed to the motion, no abstentions; the motion was therefore carried unanimously. **CARRIED**

Mr. Guy Gagnon, #432 Sandhamn Private motioned and Mr. Christopher Saindon, #414 Sandhamn Private seconded to approve and accept the minutes from the Annual General Meeting held on May 19, 2011.

There was a brief clarification requested on flooding mentioned in the minutes, but no further discussion. Therefore all homeowners present, agreed to accept the motion and carried the minutes unanimously. **CARRIED**

9. President's Report

Mr. Arthur Etkin presented his President's Report. He highlighted the following:

- The landscaping contractor was changed due to a lot of complaints received. As well, the new contract price is \$20,000 cheaper than the previous contractor.
- Grass cutting is scheduled on Wednesdays weather permitting. If need be, it could be done on a Friday.
- Aeration and fertilization has been added to the contract.
- In the past year there was some money spent in the reserve fund on front doors, with a few more to be completed this year.

- Eavestrouphs were installed in the upper roofs. This is normally the responsibility of the homeowner, but the Board felt that it would save money in the long run if it was all done by the condominium.
- Some roof replacements were done.
- We lost some trees due to the wind storm.
- The Reserve Fund Study was renewed.

Mr. Guy Gagnon, #432 Sandhamn Private noted that going by the figures in the reserve fund, we may have \$40,000 to go toward wood external painting. Presently the Property Manager has four estimates but he does believe he can come in lower than the \$40,000. The colour just needs to be decided on. Three coats and caulking are included.

It was noted that we should attempt to match with the browns and beiges that presently exist. Suggested colours were: light brown, chocolate brown, beige. S. Novak will ask the painter for their professional opinion. He will then get samples and distribute them to homeowners through a notice and homeowners will be asked to vote on their favourite colour.

Mr. Guy Gagnon, #432 Sandhamn Private noted that the reserve fund study indicated that next year paving, asphalt and curbs will be completed. For information purposes, S. Novak will distribute a copy to all homeowners. Units 446 / 432 / 453 would like copies mailed to them. This will also be placed on the website for people to view there.

10. Election of Two Directors each for a One-year Term

It was noted by the President that two members of the Board of Directors are at the end of their terms with the remaining member Mr. Savoie still sitting on the Board. The President then opened up the floor to nominations.

Ms. Madalen Kayanja, #409 Sandhamn Private volunteered to sit on the Board.
Ms. Stephanie Bazinet, #419 Sandhamn Private volunteered to sit on the Board.

With no other nominations put forward, it was agreed to close nominations. There were no homeowners opposed to this, no abstentions; therefore this was carried unanimously.

CARRIED

The new members of the Board of Directors are:
Mr. Mitch Savoie, #407 Sandhamn Private
Ms. Madalen Kayanja, #409 Sandhamn Private
Ms. Stephanie Bazinet, #419 Sandhamn Private

11. Forms

The Property Manager, Stefan Novak included forms in tonight's AGM package and wished to note their importance:

- It is law in Ontario to have completed smoke detector forms indicating that each unit has functioning smoke alarms on every storey of each unit. Mr. Novak requested that the form be completed and returned to the Property Manager.
- Form 15 refers to the reserve fund study. Mr. Novak indicated that an update to the study is required every three years.
- The preauthorized payment form allows unit owners to have their condominium fees automatically paid from their bank accounts. If a unit owner prefers this option they simply need to complete the form and return it to the Property Manager.
- The insurance certificate is provided for information only to homeowners.
- Proxy forms were provided for tonight's meeting and are available for owners unable to attend the meeting. They refer to general matters discussed at the meeting and for the election process.
- The unit owner information sheet is provided so homeowners can validate their owner information. Please complete this form and return it to the Property Manager.
- For units that are rented the Summary of lease or renewal form is required for the Property Manager. If your unit has a tenant this form needs to be completed and returned to the Property Manager.

12. New Business and Questions

- Ms. Joslyn Thompson, #410 Sandhamn Private asked if there was any plan to change the front door as she has been asking for some time. Mr. Novak noted that yes they have considered changing doors where necessary. He noted that there are a few new doors installed already (door with a sidelight – sample at #421). He indicated that a solid door could be maintained should the homeowner wish, but if they would like glass to let in light, it could be considered.
- Mr. Novak walked around and showed a sample of a white screen door / front door with a square frosted window (currently installed on unit #448).
- Ms. Tamara Dcosta, #447 Sandhamn Private asked if a homeowner wants to change their door, what is the process? Hers is slightly banged up, but she is mainly concerned with the lock. Can she change the deadbolt lock? The answer is yes, although this is the responsibility of the homeowner. Should you wish to do this, prior Board approval is required. Homeowners are required to provide a written request (with pictures if available) to the Property Manager and the Board will review the request and get back to the homeowner.
- Mr. Christopher Saindon, #414 Sandhamn Private asked if the Board or Property Manager could publish something that states what the responsibility of the Board members are. If homeowners were aware of the duties, they might perhaps be more willing to volunteer.
- Ms. Betty Flack, #453 Sandhamn Private noted that the smoke detector forms presently don't mention carbon monoxide detectors. She has a carbon monoxide alarm outside her bedroom door and in her opinion, and in this day and age, it should be encouraged that homeowners have one.
- Ms. Betty Flack also wished to remind everyone to leave their outside lights on for security reasons. We don't have street lights and it is extremely dark. The lights should be left on front and back.

- Ms. Joslyn Thompson, #410 Sandhamn Private reminded all dog owners to scoop up after their dogs.
- It was also suggested to put up signs that indicate “you are on camera” as this may encourage people to pick up after their dogs.
- Mr. Christopher Saindon, #414 Sandhamn Private noted that sometimes the City has signs to discourage this in parks. Are we in an area where we could put up these signs?
- The Board will consider placing some “you are on camera” signs between #400 – 414.
- It was noted that some backyard regrading has been scheduled with the work beginning sometime next month.
- Mr. Christopher Saindon, #414 Sandhamn Private asked if there were any spare patio stones. No, they will need to be purchased. The landscaper can be asked to replace if needed.
- Ms. Tamara Dcosta, #447 Sandhamn Private wanted to add a gate to the back of her yard. The Property Manager indicated that she can, but the landscaper may not come in the backyard to cut the grass. The gate can’t lock, and will need to match the existing fence. Mr. Savoie indicated that once the gate is done the necessary paint is at the office.

13. Termination of Meeting

There being no further general discussion and no further business to conduct, Mr. Guy Gagnon, #432 Sandhamn Private motioned and Ms. Betty Flack, #453 Sandhamn Private seconded to terminate the Annual General Meeting of Carleton Condominium Corporation No. 276 at 7:49 p.m. **CARRIED**
