RE: COMMON ELEMENT FEES – FROM JANUARY 01, 2017 THROUGH DECEMBER 31, 2017

Dear Owner(s):

Enclosed please find a copy of the **Budget** for the period **January 01, 2017** through **December 31, 2017** as approved by your Board of Directors. Your new monthly common element fees are **\$310.00** per month per unit.

Condominium fees will increase by **3.33 %** for the upcoming year for the following reasons: A significant increase in operating costs as a result of the HST, extensive repairs, shingles replacements, water bills rise, tree removal, insurance and allocation of **\$109,251.00** to the Reserve Funds. This increase is dictated by the Reserve Fund Study and must be followed in accordance with the requirements of the Condominium Act. Hence, the **Carleton Condominium Corporation No. 276 Budget** is adjusted accordingly.

This increase will help to keep the reserve fund healthy, so as to avoid the need for special assessment. The fees are still very reasonable, and are in line with the fees of similar properties in your neighbourhood. Note that this **Budget** does not include major renovations or repairs, which will be financed from the **Reserve Funds**.

Please make your *post-dated cheques* for the period **January 01 2017** through **December 31, 2017** payable to **CCC No. 276** noting your unit number clearly on the memo section of your cheque. You may mail your *post-dated cheques* directly to:
