To All Owners

**RE: Carleton Condominium Corporation No. 276
2021 Operating Budget**

Your Board of Directors for Carleton Condominium Corporation No. 276 has finalized and approved the 2021 Budget. Upon extensive review of Operating Costs, current and upcoming Reserve Fund requirements, as well as the current assets of the Condominium, there will be a slight increase in condominium fees by 2% in this upcoming fiscal year.

Monthly Condominium Fees Effective January 1st, 2021 \$363.05

A copy of the budget detailing the operating expenses and required reserve fund contributions is attached for your records.

The 2020 Reserve Fund Study funding plan, as required by the Ontario Condominium Act, is currently under review by the Board of Directors. The updated plan does indicate that the annual contributions required in this fiscal year will be \$120,476, a 4% increase over last year's contribution in order to meet future capital requirements, replacement and/or repairs for the Corporation.

If you are currently enrolled in pre-authorized payment of your monthly condominium fees, Condominium Management Group will make the adjustment accordingly effective January 1st, 2021.

If applicable, condominium fees paid by monthly post-dated cheques with last year's fee assessment are being returned to you with this notice. Please provide new post-dated cheques in the monthly amount noted above starting from January 1st, 2021, payable to CCC276, c/o Condominium Management Group, 434 Queen Street, Ottawa, ON K1R 7V7.

If you have any questions or require further information please address your concerns in writing to the Board of Directors, c/o the undersigned.

Sincerely,

**On Behalf of the Board of Directors
