 - Walkway levelling \$1141
 - Chimney Cleaning \$367
 - Deck Stain Reimbursement \$242
- Grand Total \$56,471
- Per Unit/Month \$63

2025 Budget Expectations

- Reserve Fund Contribution increase 6.5%
- Most other categories increase by 2.9%
- Property Management will increase TBD.
- Current projections are between 5% and 7.5%
- Roadway Project is expected to cost \$750,000 (reserve fund)

Property Management - Background

- The contract with CMG was terminated on July 31st, 2024.
- Currently operating as a Self-Managed property.
- RFP was issued to all property management firms registered in Ottawa.

Property Management- Selection of new property manager

- Request for proposal sent out to all local condo management companies
- Received proposals from 9 candidates
- Shortlisted 4 contenders
- Next steps: final interviews

Aiming to complete final selection of new property manager in December so that they start managing CCC276 early in 2025

Roadway Project

- Contract signed with Keller for Design and Project Management.
- Design will begin later in November, with tendering process.
- June/July is likely construction timeline.
- Expect significant disruptions for 6-8 week period.

Upcoming Major Projects

Current Reserve Fund

- o ~\$700,000
- o Mix of Savings and GIC
- o 2024 Contribution \$260,000
- o 2025 Contribution \$276,000

o All costs rounded for simplicity

Roofing Replacement (not completed with previous roofing project \$10,000)

Roadways - \$762,000 (includes curbs, paths, streetlights)

Fences - \$420,000

Brick Repairs \$30,000

Siding - \$1,425,000 (+++)

***All costs from 2023.

Reserve Funding Options

Current approach is patch and repair, but this approach will cost more in the long term.

Continue to patch & repair until adequate funding is achieved for replacement project in ~2030 spread over 4 years

Increased annual maintenance costs.

Lower curb appeal and lower property value until repairs are completed.

Project completes in 2034

Increased monthly reserve fund contribution

\$250/month/unit =
\$237,000/year

Building Envelope project starts in 2028 spread over 2 years.

Fences are deferred.

Special Assessment \$20,000 over 2 years.

Original engineering recommendation

Building envelope and Fences start work in 2026.

Board Member Recruitment
